MONEY PLAN

Secretary of the Treasury Before the Committee on Banking and Currency.

in practical operation, the Secretary said, the reserve sum was always much provided the reserve sum was always much eent investigation showed it was down to five or six millions, whereas it was presumably much larger for the purpose of protection. The proposed plan contemplates that the current redemption as well as the final redemption, shall be met by the banks. The daily rodemptions now run into the millions. That is met to the same that the current redemption, and the same to the New York banks find themselves overloaded. They send National bank notes to the New York Subtreasury, and have them redeemed in United States notes or other legal classes of currency. The Treasury the sends word to the National banks to reserve the sends word to the National banks to reserve the sends word to the National banks to reserve the sends word to the National banks to reserve the sends word to the National banks to reserve the sends word to the National banks to reserve the sends word to the National banks to reserve the sends word to the National banks to reserve the system.

Mr. Carlisie said the Secretary, "in the proposed plan will insure ample protection, and therefore ample confidence," "Infoultedly, said the Secretary, "in the mean the proposed plan will insure ample protection, and therefore ample confidence," "Mr. Walker, of Massachusetts, put the proposed plan will insure ample protection, and therefore ample confidence," "Mr. Walker, of Massachusetts, put the proposed plan will insure ample protection, and therefore ample confidence," "The proposed plan will insure ample protection, and therefore ample confidence," "The proposed plan will insure ample protection, and therefore ample confidence," "The proposed plan will insure ample protection, and therefore ample confidence," "The proposed plan will insure ample protection and the sectors of the fall bank, and as a sector of the proposed plan will insure a proposed plan will in

want money, the bank will be circulation, as there will be at on H. and the limit of its circulation of the limit of its circulation of the limit of its circulation every man, " Milham's 100 Blank Company of the limit of the circulation every man," Milham's 100 Blank Company of the limit of the circulation of the c

ry's plan.
"It suggests merely a plan by which
State banks could act if they saw fit.
But the Government has no direct concern with State institutions. The plan
simply gives them the privilege of acting under certain conditions if they
see fit."

WARHINGTON. Doc. 10—Becretary
Carlisle sappeared before the House Committee on Banking and Currency to-day
to present in detail the features of the new currency plan proposed in his annual report and indorsed in the President's message. There was much interest to the subject than had appeared in the formal report.

The crowd in attendance made it necessary to use the large room of the same times that the Learning, as it was felt that Mr. Carlisle would lend a more popular interest to the subject than had appeared in the formal report.

The crowd in attendance made it necessary to use the large room of the well would stress a learning and the residue that the committee on Banking and Currency, to-day
to present in detail the features of the mew currency plan proposed in his annual report and indorsed in the President's message. There was much interest to the subject than had appeared in the formal report.

The crowd in attendance made it necessary to use the large room of the mew currency plan proposed in his annual report and indorsed in the President's message. There was much interest to the subject than had appeared in the formal report.

The crowd in attendance made it necessary to use the large room of the present Senor Romero, the Mexican Minister, and many members of Congress were in attendance.

Mr. Carlisle would lend a more popular interest to the subject than had spready to answer questions from the Committee as well as to elaborate his own views. He took up each section of the present Senor Romero, the Mexican Minister, and many members of committee present Senor Romero, the Mexican Minister, and many members of committee of United States legal-tender notes.

The provision outlined, "said Mr. Carlisle to the proposition to the amount of notes received."

Mr. Carlisle sa

a bank retires its circulation, in whole or in part, its guarantee fund to be returned to it in proportion to the amount of notes received."

Mr. Carvale said he was satisfied that the present law requiring the deposit of bonds to secure circulation prevented ejasticity in the currency.

"The provision outlined," said Mr. Carlisle, "gives ample protection without the deposit of honds as required by the present law." The secretary said it is a functional banks to do away with a reserve would be a discrimination against state banks to do away with a reserve would be a discrimination against state banks to do away with a reserve would be a discrimination against state banks to do away with a reserve would be a discrimination against state banks to do away with a reserve would be a discrimination against state banks to do away with a reserve would be a discrimination against state banks to do away with a reserve would be a discrimination against state banks to do away with a reserve would be a discrimination against state banks to do away with a reserve would be a discrimination against state banks to do away with a reserve would be a discrimination against state banks to do away with a reserve would be a discrimination against state banks to do away with a reserve would be a discrimination against state banks in severy would the secretary said the secretary said

The Sccretary urged that this flexibility was much more desirable than
a rigid system by which a fixed amount
of currency was always outstanding.
At one time 'he stringency was so
great that the banks drew out 313.,
000,000 under pressure, and if it had not
been for the Canadian banks, who sent
currency into this country, serious resuit might have ensued.

Mr. Johnson, of Indiana, asked if the
Baltimore plan did not contemplate Government liability,
Mr. Carlisle said the ultimate liability
was on the Government by the Baltimore plan and on the banks by his
plan. The banks were compelled to keep
the safety fund always intact. As fast
as depleted the banks had to bring it
up again.

In practical operation, the Secretary
said, the reserve sum was always much
lower than the law contemplated. A recent investigation showed it was down to
five or six millions, whereas it was presumably much larger for the purpose of
the London and Westminster Bank, the
correspondents in this city of the Commercial
Bank of Newfoundland, but giving no
details.

MARY ANDERSON'S SON DEAD

His Little Life Fluttered Out on the Day of His Birth.

LONDON, Dec. 10.-Mrs. Mary Andercon-Navarro, the well-known American

MARY ANDERSON-NAVARRO last at her residence in Lexham Gariens, Kensington, this city. The child died the same day.

Mary Anderson was born on July 28, 1859, at Sacramento, Cal., and in very early girlhood she gave evidence of strong histrionic impulses. She did not begin at the beginning, but went to Mr. begin at the beginning, but went to Mr. McCauley, of Louisville, and asked for a trial as Juliet, in "Romeo and Juliet." She made her debut in that role, and it was said that her extraordinary beauty and grace, more than satisfied her audiences. She became successful almost from the start.

She has been, more than any other actress, persecuted by cranks who fancied they were in lowe with her, and wanted to marry her. She was married in London on June 17, 1839, to Mr. Antonio Navarro, in the Roman Catholic Chapel of St. Mary's, in Hempstead. The couple took up their home at 17 Ferndale Park, funbridge Weils, England, and less than a year later it was reported a child had been born to them. The rumor was found to be untrue, and it was said that Mrs. Navarro was a ghost of her former self.

Of late she has been at work writing her memoirs.

GERMANY AFTER STANDARD.

The Company Denies It Is Sending Interior Oll Into That Country. BERLIN, Dec. 10.-The Government

One of the officials of the Standard Oil Company was questioned this morning regarding the action of the German Government instructing the Hamburg Chamber of Commerce to inquire into the complaints which have been made against the inferior quality of recent importations of petroleum by the Standard Oil Company.

"This eaction," the official said, "we have every reason to believe is the result of rumors set affoat here by interested parties, who are desirous of bringing the quality of our oil into question."

"It is charged that the Pennsylvania oil fields are exhausted, and that the oil in the recent imports came from Indiana and Ohio. Is that statement so?"

"Pennsylvania oil is a technical term for all oil that comes from Pennsylvania and West Virginia While it cannot be honestly said that the supply in Pennsyl-

vania is increasing, cit wells must, in course of time, be exhausted, and this is true of the old sections of the oil

is true of the old sections of the old region.

"As to the Ohio and Indiana oil, which is known technically as 'Lima oil,' it is true in its crude state it is inferior to Pennsylvania crude oil, but just as good refined oil can be produced from it. "Concerning the Lima oil, however, I wish to say the very nature of its position would make it unprofitable to bring it to the seacoast. No Ohio or Indiana oil is ever shipped from the country."

KNEEBS RELEASED ON BAIL.

German Authorities Will Permit Him to Come Home Under Bond. BERLIN, Dec. 10 .- Robert F. Kneebs the American horseman who is, charged with fraudulent practices on the German turf, has been admitted to ball in the amount of 10,000 marks, and sails for the United States, from Liverpool, this

Kneebs was a rested by the German authorities for trotting a mare under the name of "Nelle Kneebs" at the Berlin track. The mare is supposed to be Bethel, with a record of 2.184 and the offense of "ringing" is made amenable under the laws of Germany to a term of imprisonment.

Every effort to find the mare Bethel at the Kneebs farm or elsewhere has been fruitless. A mare resembling the trotter has been found with scars upon her shoulder, believed to have been purposely inflicted to imitate scars borne by the real Bethel, which resulted from a collision with a barbed-wire fence.

LABOR AFTER ANDREWS.

has more trouble ahead. A committee to send a double set of delegates to that I but each delegate will be entitled to only half of a vote. composed of Delegates Tombleson, George W. Jones and James C. Edwards, has been appointed by the Cen-tral Labor Union to investigate charges

under penalty of discharge.

Commissioner Andrews did not come down to his office this morning. There were rumors that he had resigned, but the heads of the several departments were ignorant on that subject.
